from their ancestors. I acquired the leaseholds. The land is leased out year after year by the pattadars. I verified all the lease deeds from 1929. R. Venkatappa deposed that he cultivated this land for nearly 15 years on behalf of the pattadars. and that the land belongs to Narayana Rao father of the present pattadars. Gangera Thimmappa and Raydrug G. Byrappa cultivated it for 85 and bonds of jaggary in 1929-30. The land is now leased out to Narasimhappa for 90 mds of jaggary. He also deposes that the land belongs to Rama Rao and his brothers Sno 71 G.V. 1.90 18.1.0 above stands registered in the name of Kanchi Ashtalakshmi Devasthanam temple. Which is leased out to M. Taking all the above facts into Consideration
the Cultivated portion of Survey No 24 is valued
at Rs 2000 p.a. & the saline & waste portion
at Rs. 100 p.a.

The value of Sno 21/B is manual which is valued at Rs 100 p.q. The value of Sno 19/A1 is fixed at Rs 1750 p.q. The cultivation of this land as well as land of Sno 4/B. The value of Crops in Sno 17/A2 which was cultivated with paddy last year is fixed at Rs 1250 p.q. This cultivated portion is not as good as that of cultivated portion in Sno 19/A1. The rest of the portion of 17/A2 which is waste of value is valued at Rs 100 Sno 16/A1B & 16/C2. They are not as good as cultivated portion in Sno 19/A1. Hence they are valued at Rs. 1500 p.q.

(10) the objections
(11) Now ~~Counsel~~ & ~~the~~ Valuation

~~Evidence & objections & Counter-statement~~

are dealt with below:-

Suo. 84-85-86 + 31/A belong to Sri Rama Rao & his undivided brothers. Sri Rama Rao is the managing member of the family. He has demanded Rs 6000 per acre for Suo. 84-85-86/A and Rs. 4000 per Suo. 31/A. ~~He has~~ He has stated that for the last three years the average income per acre from Suo 84-85-86 A (wet lands) is Rs 466-10-8 & that from 31/A (dry) land is Rs. 281-2-8. Apart from this, he has not stated that similar lands in the vicinity have been sold at an higher rate than the valuation fixed for them. ~~He could not be done so.~~ Had there been such sales, the Official Receiver, would certainly

have urged them. Because there were
no such sales, she has mentioned
only his income derived from the lands.
But the income derived from the
lands does not go hand in hand
with the market value of the
lands. Where no income is derived
from the land, it does not necessarily
mean that its market value is poor, because
a land may be left waste on
account of a dispute in regard to it or owing to
the inability of the owner, or the landowner may
not have left waste or may have such
extensive lands that he could well
afford to leave a land waste. These are
only some of the probabilities but they
are sufficient to show that because
a land has been left waste, its
market value, in no way diminishes.

~~market value is the~~ Conversely, it follows that because the yield of a land has been good as a particular year its market value does not increase. Timely & sufficient rains, good manure, absence of pests & adequate care & attention are some of the factors that contribute to good harvest. These could not be same in all cases. They ~~differ~~ differ with different cases & at different times. ~~Because the cultivator~~ As a result the land lord like Mr. Rama Rao would derive income from his land according as the ~~land~~ seasonal conditions are favourable and according to the capacity & vigilance of the tenants cultivating the lands. Therefore to urge that the income derived from land has been large is to urge an uncertain factor. Accordingly to section 23(1) fixing

of the L A. Act. in determining the amount of Compensation to be awarded for land acquired under this Act, the market-value of the land as the date of publication of the declaration under sec 4(1) shall be taken into consideration. The date of publication of the notification under sec 4(1) is 21-9-60. The market value is defined as the price at which the owner of the land is willing & not obliged to sell it on a reasonable agreement for it from any person who is willing to buy it & who is not obliged to buy it & with whom he has been bargaining Thereby for the sale & purchase. And Where there are such sales of the lands the acquired or of similar lands in the

vicinity, they alone furnish-
ure guide for fixing the market
value of the lands & also the income
derived from the lands which, as
has already been pointed out depends upon
seasonal conditions, prevalence of
diseases & pests, manuring etc. These
have been rules of similar cases
in the vicinity. Sws 8 & 4 1/2 are
miles to ~~the land in~~ Sws 24, 25 & 26
are one field away from ~~Sws~~ Sws 8
Sws 8 & 21 were sold in May 47
at the rate of Rs 3158 per C. This
transaction is genuine. ~~Following~~ Relying
on this sale & allowing for
the general increase in prices since
date of sale, the market value of
the land has been fixed at Rs 4000
p-y. The learned owner has not disputed

the above Sale & as has already been
mentioned, she has urged no other
grounds to rely upon for ~~the~~ fixing the
increased value of the lands. Therefore
the claim that the above lands
has ~~increased~~ ~~lands~~ risen
to Rs 6000 per acre is
unreasonable and does
not deserve any consideration.

(1) As regards Luo 31/41, the land value

at Rs 400 per acre. This is objected

A true yield would become uncertain

lands. Hence is the definition of "market
value" has also been shown in para
above. The register has not furnished
any sale of similar lands in the
~~vicinity~~ vicinity at Rs 4000 p.a. claimed
by him. He could not do so because there are no
such sales. It has been shown in para 8

Above ~~transaction~~ sale of Lno 35 at Rs 3000 per acre in A/C 48 does not represent the market value of land Lno 35 in the field ~~transaction~~ from Lno 31. In the said transaction relating to Lno 35, the vendor & vendee are debtor & creditor respectively. Further the creditor had no land ~~Post~~ & bankers after purchasing Lno 35. That the paid a high price & did not display the ordinary caution which a purchaser of land should display are proved by sales & similar lands in the vicinity at ~~for~~ lower rates than Rs 3000 p.g. Lno 19/c which is similar to Lno 35 & was sold in Oct 46 at Rs 2153 p.g. in a genuine transaction ~~Lno 35~~ ~~which adjoins Lno 31 & which is bounded~~ ~~on the East by Lno 49 & on the West by Lno 19/c~~

Taking all the above facts into consideration, the market value of Sy No. 31/A1 has been fixed at Rs ~~2750~~ 2750 per acre. The value is reasonable & the claim ~~based on~~ at Rs 4000 per acre was based on reliable sale of lands in the vicinity. The claim is baseless, untenable & unjustifiable & does not deserve any consideration. (12) Sri Kumara Setty on behalf of Kalasubbasetty claims Rs 6000 per acre for Sy No 83. He has also stated that he derives an income of Rs. 400 per acre per year from the land. He has not ~~produced any evidence in support of his claim~~ urged that similar lands in the vicinity have been sold at the rate claimed by him. It is because these are mere values of Sy No 83 has been fixed relying

upon genuine sale transaction
relating to Survey No. 88+91/c at
Rs 458 p.a in May 47. The Collector
has not disputed this sale. Taking
this into consideration & also
the general increase in prices, the
market value of the land has been
fixed at Rs 4500 p.a. Vide para 4
above. What is the definition of
market value & how the yield
or income derived from a land

circumstances & how they cannot be
here guides in fixing the market
value of the land have been sum-
marised in para 12 above. Therefore to claim
Rs 6000 p.a merely because the landowner

The claim of the objector is unreasonable,
unjustifiable & untenable. and does not
deserve any consideration.

(13) In respect of Lots $\frac{37}{A2}$ & $\frac{38}{A2}$
which are dry lands. Sri Kumarasiri
Setty on behalf of P. Sivakolunthu
Rerukka Setty has claimed Rs 4000 per
acre on the ground that he gets
an annual income of Rs. 150
per. acre from the lands. These
are also dry lands assessed at
Re. 0-2-0 as Lot $\frac{31}{A1}$. Which also

reasons shown in para (1) above
apply to this case also. Even as
in the case of Rs 31/A1, the claim
for compensation at Rs 4000 p.a for
Less 37/A2 + 38/A2 is unreasonable. untenable
& unjustifable. It does not deserve any
consideration. Appellant Ramawatti Subhamma has also
(14) claimed Rs 4000 for Rs 36/A2 and has relied on
(15) the evidence of Servari Venkatasamy
in behalf of his daughter Anusuya who
claims Rs 4000 p.a for Rs 35/A1B (half her share in it)
the ground that the land has been
sold at the rate of Rs 3000 p.a.

(iii) accepted the valuation fixed by the Collector. He has now demanded the same rate as which the land is to be acquired. Hence the enhanced value for the share of Kunhunnya in the land made by his father does not deserve any consideration.

(iv) Ramunni, extent of 0.13 acre is left out of the acquisition as the land is not required for the purpose. He has also requested that the value of the land may be fixed at Rs 1250 p.a. This plea is not tenable as the land is cultivated and its acquisition does not affect the question at this stage.

(6) Janma Kuruppa, a joint holder of Survey No 17 A2 has demanded that the waste portion in the land should be valued at Rs 1250 p.a. This field measures 3.53 acres. Except 12 cents, the rest of the field is paddy waste. The cultivated portion of the field is valued at Rs 1250 per acre

of the manoorwaste of saline land at Rs 100 p.a. vide para 9 above. The manoorwaste of ~~the~~ saline land is covered on the surface with white efflorescence like soil of uneven depth and it does not permit any of them. It is proposed to claim Rs 1250 p.a. It does not anything more than Rs 100 p.a. But for the acquisition there would have been no demand for the land. ~~Even this~~ It has been assessed at Re 1-4 p.a. To reclaim the manoorwaste to bring it to a par with the cultivated portion it would require Rs 1150 per acre. Deducting this reclamation charge of the value of saline and manoorwaste

wrtcin has been fixed at Rs 100 p.a. It does not deserve any increase & the claim for enhanced compensation is preposterous.

17)(b) The owner of Khs. 21/B claimed that it should be valued at Rs 2750 per q. This field is a manoeuvrable & is salable. & it has been valued at Rs 100 p.q. This field is also covered with white clumps used by others for purposes. & even grass does not grow in portions of the field. & it does not deserve any increase from Rs 100 p.q. It is similar to the manoeuvrable & same portion in Khs 17. A2 & as in the case of the latter, the claim for enhanced compensation is preposterous & does not deserve any consideration.

(18) Dasara Lakmayya & Tukaziba
the joint owners of Sno 79, have claimed
land value at Rs 5000 p.a. The land
has been valued at Rs 4550 p.a. vide
para 5. The claimants have not adduced
any reason or ground for valuing the land
at the rate claimed by them & their
Oral Oexit Statement ~~claimed~~. Even the
land should be valued at Rs 5000 p.a. there
seems no useful purpose & requires
no consideration

(19) The joint pattadar of Sno 31/A2
has claimed the same rate of Rs 4000 p.a on
the very same grounds claimed by Sri Gurunatha Setty on behalf
of the other joint pattadar of Sno 37/A2 P.
Balreddy Setty. How the claim at the

has been summarised in para 13 above. Hence the similar claim made by the other petitioners in Writ Petitions Nos. 37/A2 does not also deserve any consideration.

(20) The compensation for the several fields is awarded to their respective owners as noted below:- Survey Nos. 87/B and 86/B2 registered in the name of Y. --

From para 3 of your Letter cited above it appears as though you hav ordered the resumption of S.Nos. 72; 51 c/1; 49-3 and 49-4. It is the Rev. Divisional Officer who is competent to assign lands for temporary cultivation and as such he is alone competent to resume and take possessi of them. It therefore appears, irregular if you have yourself ordered the resumption of the lands and taken possession of them. Please report urgently when the lands were resumed to the Government and by whom. Please also state whether there were any crops at the time of resumption and if so any compensation has been paid for them. You should address th Rev. Divl. Officer Hospet to take necessary action in the matter.

The withdrawal notifications sent with your above reference cannot be submitted to the Government until this question is settled.

Sir,

Ref:Your No.C.1776/49.C dated 20-1-50.

The lands may please be handed over to the S.D.O.Power Canal Amaravathi, Hospet. I note that there is a garden in S.No. 96-C/2 of Mudlapur village and it is understood from the concerned Revenue Inspector that the owners has agreed to cut and remove the trees. It is desirable generally that a date is fixed for cutting trees by owners or for removal of any fencing materials, heaps of stones etc., which are not acquired. Otherwise, the owners have a tendency to keep on the trees or materials after the lands are taken over and thereby obstruct the work on the canal in the particular fields. An instance in point is the petitionof Veerabhadra Goud of Sanavasapuram village who did not remove the trees before the lands were handed over to this Dept. and subsequently when the trees were cut by the P.W.D.the owner claimed heavy compensation.

I request you to take necessary action in the case of the lands now handed over in Mudlapur village and in similar cases.

dated. 21.9.48 - 20.9.48 respectively.

2) The field has been
duly demarcated on ground. measur
& inscribed, & the subdivision sketch

scrutinized by the Supt of Surveys
Mysore & the true area of the field
certified by him, which alone
has been adopted for payment
& compensation

3) After due publication in
the Press & notices under Sec
9 (1) (a) of the Act, the award enquiry
was held by ~~the Addl~~ Dy. Commr. Re land
owners sent a type written ~~&~~ statement
that he had already ~~sold~~ ~~exchanged~~ ~~& the~~
~~valuation fixed by the Govt~~ ~~& had~~ claimed ~~by~~ land
value at the rate of Rs 6000 per
acre ~~of wet land~~ in the case of Survey No. &
belonging to him. He has not disputed
the measurements recorded & the
area adopted in respect of the field.

4) Valuation: Re field in question
~~under~~ the class & sort of soil (2·2)

Rs. 9-8-0

(witness (4)) & rate per acre. There has been no sale in this field. Survey No. 88 and 91/C were sold in May 47 at the rate of Rs. 3158 p.a. Re ON for this field was published on 21-9-48. Even May 47 to even about 21-9-48 there have been no sales in the vicinity the rate of assessment of 88 + 91/C are Rs. 10-2-0 + 9-6-0 respectively. These fields are nearer the Road leading to the station Survey No 76/B Taking all the above facts into consideration the value of Survey No 76/B is fixed at Rs 4550 per acre.

Re land owner Mr. Rama Rao has demanded land value at the rate of Rs 6000 pa for this field. He has stated that the average income per year from this land is Rs 446-10-8. Apart from this, he has

We stated that similar lands after the mines have been sold at a higher rate than ~~the valuation~~ that fixed for the land. Had there been such sales the would have certainly urged them. Because there are no such sales. She has ventured only his income from the land. Family & sufficient rains, good manure, absence of pests, & adequate care & protection are some of the factors that are conducive to good harvest. They could not always be the same. They differ with different crops & at different times. Therefore to use ~~the~~ the income derived from the land is to use an uncertain factor. According to the 2nd first

of the L A Act in determining the amount of compensation to be awarded for land acquired under this Act, the market value of the land at the date of publication of the notification under sec 4(1) should be taken into consideration the date of publication of the notification under sec 4(1) is U.S.A. The "market value" may be defined as the price which the owner of a property willing & not obliged to sell it might reasonably accept for it from one of a number of willing purchasers who are not obliged to buy it & with whom he has been bargaining generally for its sale & purchase. And when there are such sales of the lands to be acquired or of similar lands in the

in the circumstances, they alone furnish a sure guide for fixing the market value of the lands & not the income derived from the lands which, as has already been pointed out, depend upon seasonal conditions, prevalence of diseases & pests, marketing etc. Therefore the land owner's claim that the Land Owned be valued on the basis of p.a. is untenable, baseless unjustifiable & does not deserve any consideration.

5) The field Kanda registered in the names of (1) M Rama Rao (2) Laxmana Rao. (3) Venkoba Rao (4) Gurumurthy Rao & (5) Seshagiri Rao. The minor is represented by brother M. Rama Rao. All are brothers. They are undivided

used except the lands in Common
use, lands in joint tenancy & N Lawn
Kao is the eldest & managing
member of the family & hence the
compensation for the field is awarded
to him.

We submitted requisitions in this connection to Specialofficer, T.B.Project, Bellary on 28-7-49 & 14-1-50 requesting him to value our lands properly before passing the award. In the reference quoted above Special officer Bellary has directed us to address you.

Sir, Our S.No.16-A& 16-C of Muddalapuram village Hospet Tk which you propose to acquire for power canal are very valuable roadside, fertile, heavily manured, superior soil wet lands. We claimed a value of Rs 4000/- per acre in our statement on 21-4-48 to Special Revenue Inspector, T.B.Project III. When compared to present sale transactions of surrounding lands our lands are valued at not less than Rs 4000/- per acre. In fact there were many offers for the land at this rate and if we had agreed business might have been effected by this ti[illegible] for the Govt acquisition proceedings with r[illegible]nce to these lands

these lands.

Even the dry lands surrounding these l lands are being sold at Rs 1500/- per acre. Under th circumstances we expect that in the interest of Justice & Equity at lease the present market value of the land which is not less than Rs 4000/- ought to be passed in the award and paid to us. We under stand that steps are being taken to undervalue our land. We strongly protest against any undervalued award as it will cause a great loss to us. We are sure that if you summon us in person and enquire the value of the land by your personal visit to th land and calling for necessary evidences it will enti- rely convince you regards our stand for the value Rs 4000/- per acre. We hence request you to take necessary steps to hold necessary enquiry earl for assessing the value of the land, and pass an award of not less than Rs 4000/- per acre for our lands

Sir,

Acquisition of S. No 16-A & 16-C Muddalapuram village Hospet Taluk for Power Canal.

.....

In pursuance to your notice to us on 20-4-48 we appeared in person on 21-4-48 and gave a statement with reference to our right and interest in the property and the valuation of the property.

The current rate of the lands under a reserved estimate is not less than Rs4000/- Four Thousands per Acre. Now we hear that you are estimating the lands at a comparitively low price. Our lands being very fertile and fully manured one and are situated at a very convenient place just on the road side and can justifyably claimed as the best among the surroundings were sold at a price of Rs3000/(ThreeThousand) recently compared to this we can surely fetch not less than Rs4000/-per acre as declared by us on 21-4-48 .

Hence we request you to visit our lands in person, inspect then, a then issue an award with reference to the value.

As per your present plan Power Canal runs int he centre of our field and splits the land into two parts. This will spoil the land as northern part will be handicapped for various reasons. Hence we request you to consider the power Canal can be moved to the Northern extremity of our land thus leaving the Southern part of our field is left in tact as a single piece. If this suggestion is adopted we feel Government will also have benefit.

Yours Obediently,

Our letter to you dated 28-7-49.

Subsequent to our statement to you in person on 21-4-49 with reference to the acquisition of the lands referred to above we wrote you a letter on 28-7-49 requesting you to fix the value of the above which are now valued at not less than Rs4000/- per acre by personally visiting the lands concern and making proper enquiry before passing the award.

Till now we are not able to know anything about our request. We understand that many of the aggrievedapplicants who had applied to you in Hospet were called for, proper enquiry held, and reasonable value fixed. As we have yet been kept in ignorance with reference to our request dated 28-7-49, We request you to be pleased to let know where the matter stands and oblige.

Ref: Our Registered letter to you dated 15-2-50 and another dated 17-2-50 delivered to you in person.

On receipt of your Notice calling upon us to take a sum of Rs.5226-12-0 to Arganoni Doddana Gowd, 1/2 share, and Rs.5226-12-0 to Biralli Saranappa, 1/2 share, totaling Rs.10,453-8-0. we met you on 17-2-50 and took the amount after strongly protesting at the under valueation of our lands and submitting you a ~~xxkkxxx~~ pettition in person requesting to hold early enquiry and pass orders for payment of additional amount that will become payable to us. We are sure tha on proper enquiry our claim of Rs.4000/- per acre will prove to be a very reasonableone. We are unable to understand how such a low valuation for our lands was arrived at.

None of the notices except No.12 that are ~~xxrixxd~~ generally received by owners were received by us and we were never called upon to substantiate the value claimed by us. The amount now paid to us as value is neither equitable nor just. Hence we request you to be pleased to take necessary steps, reply & oblige.

Subj: Acquisition of lands Survey No.16A/1 B,& 16C of Muddalapur Village Hospet Taluk for power canal Tungabhadra Project.

SPECIAL OFFICER
27 FEB 1950
TUNGABHADRA PROJECT

Ref: Our Registered letter to you dated 15-2-50 and another dated 17-2-50 delivered to you in person.

501

On receipt of your Notice calling upon us to take a sum of Rs.5226-12-0 to Argandoni Doddana Gowd, 1/2 share, and Rs.5226-12-0 to Biralli Saranappa, 1/2 share, totaling Rs.10,453-8-0. We met you on 17-2-50 and took the amount after strongly protesting at the under-valuation of our lands and submitting you a ~~pakkkm~~ petition in person requesting to hold early enquiry and pass orders for payment of additional amount that will become payable to us. We are sure that on proper enquiry our claim of Rs.4000/- per acre will prove to be a very reasonable one. We are unable to understand how such a low valuation for our lands was arrived at.

None of the notices except No.12 that are ~~xxxxxx~~ generally received by owners were received by us and we were never called upon to substantiate the value claimed by us. The amount now paid to us as value is neither equitable nor just. Hence we request you to be pleased to take necessary steps, reply & oblige.

Thanking you,

Bellary,
25-2-50.

SPECIAL OFFICER 3 MAR 1950 TUNGABHADRA PROJECT

Lands acquired by Govt for Thungabhadra Project belonging to Sri Virakthi Mutt alias Sri Kotturswamy mutt, Bellary.

.....

The Hindu Religious Endowment Board, Madras have appointed us 1. Hiranandoni Doddana Gowd and 2. Gadigi Mariswamappa, Bellary as "Associated Trustees" for the general administration of the Mutt and its estate under order No 454 J. on 20-1-50. These "Associated trustees" are entitled to receive all moneys and income of the mutt under the scheme approved by the board for the administration of the mutt. Mathadhipathi is not entitled to receive the same, as he has to be in charge of religious administration of the mutt only.

Now we understand that some lands belonging to mutt in the Huddalapuram Village were acquired by the Govt for T.B.Project and compensation is due to mutt. Hence we request you to pass general instructions to all concerned that all the amounts due to the mutt are to be paid only to us the" Associated Trustees"" of the mutt, and all com-

acquisition procedings etc of the Sri Kottur swamy Mutt properties be intimated to us.

The former has mortgaged his share to 9 of the field to Vedra Siddavanayya & the latter Baramappa to Ellur Rudrappa. Sandur Hanumappa could not say how much he owes to the mortgagee, exactly & Baramappa has not given a statement agreeing to give his debt to the mortgagee out of the compensation amount. Hence a ref. under Sec. 30 of the L.A. Act is made.

Sir,

Sub:- L.A T.B.P. Power Canal - Hpt Yt - Muddalapuram vgs.
S.No 79B - Compensation amount - Ref under Sec 31(2)
of the L.A. Act

S. No 79B of Muddalapuram vgs has been acquired for the excavation of Power canal T.B. Project. The land stands registered in the name of Dasara Lakmanna & Tulsi Bai. ~~The latter is~~ the daughter-in-law of the ~~Dasara Lakmanna~~ former.

Department 26/3 The two pattadars mentioned above are the reversionaries of Padmavathamma who is dead. It is stated that the land has been alienated by a sale by Padmavathamma, which the pattadars contend as being ~~that it is~~ invalid, as she had no rights to alienate it. They claim that they are the rightful inheritors of the land. The pattadars also contend that Hanumanthachar, ~~a tenant of the land~~ has no right over the land. As the present pattadars are Hindu widows having no issue & as they have only a limited interest in the land, the compensation amount of Rs 3244-2-5

c 747 to 76/3/5

due for the field to is ordered to be kept in C.C.
deposits & a reg. under Sec 31(2) of the L.A. Act
is made

Accordingly a cheque herewith this reg:
in the prescribed form together with a cheque
